## **Doba shares product sourcing tips at eBay Live! 2006**

Jeremy Hanks, CEO of Doba, will be discussing how eBay sellers can find the products that eBay buyers want

6 June 2006 | Orem, Utah

The CEO of Doba™, a leader in product sourcing solutions, will be speaking at eBay Live! 2006, June 13-15, in Las Vegas, NV. Jeremy Hanks, CEO of Doba, will be representing the company and discussing how eBay sellers can find the products that eBay buyers want. In addition, he will be featured on 2 panel discussions about product sourcing for eBay.

Doba is the leader in product sourcing services for small online businesses and web-entrepreneurs. Using Doba services, small businesses can order products in bulk, drop ship products direct to their customers, and receive training on product sourcing. Doba members have access to over 250,000 wholesale priced products from more than 100 suppliers. By aggregating product distribution and purchasing power through a single connection point, Doba creates unique opportunities for suppliers and retailers. Doba also offers a wide variety of educational tools, features, and services that enable members to sell products online quickly, safely, and conveniently.

Through his current and previous businesses ventures, Jeremy has become a supply chain, product sourcing, e-commerce, and online auction expert. He holds designations as an eBay Power Seller, an Education Specialist Trained by eBay, an eBay Trading Assistant, and a Certified eBay Consultant. Jeremy is the coauthor of eBay Inventory the Smart Way, a title that helps teach how to find great sources and manage your merchandise to maximize profits on the world's #1 auction site. Jeremy is also coauthor of Drop Shipping for Dummies, a Wiley Publishing publication.

"I will be talking about the methods of product sourcing, the pros and cons of drop shipping, and will share insight into what it takes to be a successful online merchant," said Jeremy. "Successful product sourcing is what separates the businesses on eBay from eBay hobbyists, makes your business legitimate and scalable. Knowing best practices can revolutionize one's business."
